INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures.

August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Two sizes, 25c and 75c. All druggists.

Dangers of Defective Plumbing!

Defective plumbing permits the entrance into the house of sewer gas bearing germs or contagious disease to which the human system readily succumbs. Sewer gas is not necessarily generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures. If in doubt, consult us regarding the piping and repairing defective fixtures with "STANDARD" Porcelain Enameled Ware, acknowledged as the best sanitary equipment.

Thoughtless Loquacity.

"You and Tom came near having a serious runaway, didn't you?"
"Yes; it was a narrow escape."
"Tell me just how it happened."
"The horse became frightened suddenly and Tom grabbed for the lines."
"Grabbed the lines? Why, wasn't he holding them?"
It took at least five minutes to explain.

If the coal you bought elsewhere, last time, did not give satisfaction, why not give us a trial? We have satisfied customers all over the county.

Strategy.

"So each of these little prairie towns is jealous of the other's population, eh?" interrupted the new arrival.

"Jealous!" drawled the lanky native. "Why, when they took the census the smallest of the two made everybody eat cucumbers and butter-milk."

"What for?"
"So the population would double up, stranger."

Mills Closed Down.

A press dispatch from Ford says: "After a continued run of several months, day and night, the Burt & Brabb Lumber Company, one of the largest manufacturers of popular lumber in the State has closed down. They have saved between 70,000 and 80,000 logs and now they have on their yards about 16,000,000 feet of undressed lumber. The company has a shipping capacity of two hundred cars per month, which is sent to all parts of the United States and Canada; a large portion of it is shipped to Europe, where the company have an immense business. About five hundred men are thrown out of employment."

Sure Cure For Pneumonia.

Here is a sure cure for pneumonia according to a contemporary:

"Take six or ten onions, according to size, chop fine, put in a large spider over a hot fire, then add the same quantity of rye meal and vinegar enough to form a thick paste. Stir thoroughly, letting it simmer five or ten minutes. Then put in a cotton bag large enough to cover the lungs and apply to the chest as hot as the patient can bear."

The only difficulty would be in catching the large spider in winter time, says the Louisville Times.
